Studio Policies

With new programming come updated policies. We look forward to a smooth transition and successful season by implementing these policies. Please read below to familiarize with new JAWS operations:

NEW! Sibling Discount

We are now offering a discounted rate for families of two or more. Please see below for pricing adjustments.

10% | 2nd dancer

20% | 3rd dancer

30% | 4th dancer

NEW! Payment Policy

All accounts are required to have a credit or debit card on file. As always, we accept tenders of cash or check. Those who wish to use auto-pay, accounts will be charged using the card of file (COF) the 1st day of each month, respectively.

Those who wish to pay using an alternate tender, must do so by the 1st of each month. If payment is not received by the due date, the COF will be automatically charged on the 10th of each month.

If a COF expires or becomes invalid, the system will notify the family via email. The family will then have 10 days to update the payment information (in-studio or from their personal account). Failure to update payment will result in a \$35 late fee. Returned checks are also subject to a \$35 late fee.
